**FIND LOVE IN THIS CHURCH**

In many times, people wonder why we are not seeing the power of God. There are many things that we can discuss but remember, there is a big space between us and Jesus, and this is because of sin. The biggest sin we are going to be charged is we don't have love amongst ourselves with others.

In this world, our customs makes us to fail not to love one another, not to love the church and even the our elders.

According to the bible, the book of John is encouraging us about love, that if anyone says that he love God and yet he hates his brother, he is a liar, for anyone who does not love his brother, whom is seen, cannot love God whom he is not seeing, you have to show the conditions in this love to me.

Today we shall speak to us about “The Lion will speak”

The Lion of Juda will make expose you out of the hidden life where you don't express your love to Him and to others.

Let us look at three areas which demonstrate good Love to God and to others.

**love is expensive:-**

Following the expense of love, its is expensive to maintain love i.e love your neighbor. Your friend is a church i.e when the church has a problem , we look forward to God. Friendship is expensive and for you to maintain the cost of friendship, you have to incur the expenses of love and the only person whom you can follow is Jesus who died on the cross because of our sins and love.

**2. Love is extensive to keep a friend:-**

For you to prove the extensiveness of your love to your friend, children and any other person around you i.e when your friend is sick you take her to the hospital, when he is unhappy, you encourage him/her.

The best person to love is Jesus, he loves us extensive, he died for us . Remember if you are sick and down the likes of Jesus is extensive to you so make your love extensive.

**3. The Love is expressive:-**

If you say you love me, show your love. The way you look at me , your neighbor it shows how you express your love and remember, don't tell people you love me, if you love your neighbor expressively, don't say what he/she does for you.

God says, for what you love in this world will love in heaven and what you hate in this world will be hated in heaven, Get your Certificate now?

Let love starts from here, let us love our church expressive.

In conclusion, Love your church, Love your friend, Love your neighbor expressively, extensively and also learn how to maintain Love. “THANK YOU ALL, BE BLESSED”
